

Function	can be stretched and bend
Material	Material of corrugated pipe: stainless steel 1.4404 (AISI316L) Material of connections: Stainles steel 1.4301 (AISI304) Gasket:Aluminum alloy
Working pressure	12bar
Max pressure	16bar
Working Temperature	$\leq 200^{\circ}\text{C}$
Female thread	according to ISO228
Male thread	according to EN10226
